Description

BD768F Chest Freezer With SS Lid

This heavy duty built, premium chest freezer comes straight from Federal 's very own doors, and is well equipped, spacious and designed to store your ingredients and frozen meals.

Whether it 's to present snack or food options to customers or to store any excess stock, the BD768F is well suited to a variety of establishments including backrooms or kitchens in restaurants or cafes, the frozen/dairy sections in supermarkets, butchers, service stations and corner stores.

FED 's chest freezers keep your food and ingredients preserved and ready for purchase or use. From slightly cold to freezing, the

BD768F has the right ideal temperature range for any storage or preservation purpose.

This massive chest freezer fits up to 768 litres with strong stainless-steel lifting lid and castors.
