multi purpose cleaner

DISSOLVABLE CLEANING TABLETS

GENERAL CLEANING

PRODUCT DESCRIPTION

Ditch 3 has been designed with the planet in mind and exists to help reduce single use plastic bottles from land fill and waterways. Our refill tablet box ditches 3 single use plastic bottles. No need to throw bottles away, simply refill with water, drop in a tablet and re-use

Multi purpose cleaner tablets contain plant and mineral based ingredients and provide amazing results on all washable hard surfaces .

Refill tablets have been designed for a fast dissolve and are proudly made in Australia.
